

Drone Records Mailorder-Newsflash 1. JULY 2008

Dear Droners & Lovers of the UN-LIMITED music!

Here are our new mailorder-entries for June & July 2008, the fourth "Newsflash"-update this year !

We are glad to announce that the OÖPHOI 10" "Potala" in our "Substantia Innominata" series is finally out!

Next in the series will be : SUB-08: HUM - The Spectral Ship with artwork by Daniel Crokaert (MYSTERY SEA)

This coming weekend DRONE will have a stand on the "Avantgarde-Festival" in Schiphorst (July 4 - 6th) [www.avantgardefestival.de], where NURSE WITH WOUND, DACH, XABEC, INCITE, KOMMISSAR HJULER, many different FAUST-projects and lots of other projects perform and actions take place ! Schiphorst is located on the north-german country-side between HAMBURG and L ECK. So if you are looking for a last-minute experimental Festival experience, this is truly recommended !

And if you want me to bring any stuff from this new update to the Festival, please send a mail ASAP !

Just in time for the Festival & the current NWW tour this update contains many new titles from NURSE WITH WOUND, some are very rare so act quick if interested. Also the amazing SPK wood-box was immediately sold out from the label itself...

As always, pre-orders & reservations are possible. Most of the titles listed are in stock, others are backorderable quickly. The FULL mailorder-backprogramme is viewable (with search- & orderfunction) on our website www.dronerecords.de.

Please send your orders & all communication to:

drone@dronerecords.de

PLEASE always mention THE PRICES to make our work on your orders easier & faster and to avoid delays, thanks a lot !

(most of the brandnew titles here are not yet listed in our database on the website, but will be soon, so best to order from this list in reply)
