

**Dear Droners & Lovers of the UN-LIMITED music!
Here are our mailorder-entries & release-news for NOVEMBER 2010 , the 7th "Newsflash"-update this year!**

First of all, some unusual label news: Right in time for the celebration of the 100th Drone 7", Drone Records will be part of an exhibition that takes part soon in Leipzig, Germany, going on for one month. If you're living there or nearby or you will visit Leipzig in the next few weeks, check it out!

"DRONE RECORDS will be part of an exhibition at the "D21 KUNSTRAUM" in Leipzig, Germany, going from Nov. 12 to Dec. 12, 2010. Theme is "Rauschen und Flimmern" ("hissing and flickering") seen as discrete aesthetic phenomena building a new "scope of possibilities". Drone Records will create four listening-stations with selected tracks from Drone EPs, and all released 100 Drone 7"es first editions will be shown. At the opening evening on November 12, German Drone Records artist SEETYCA will do a 4-hour performance, starting at 8 p.m. The entrance is free ! <http://www.d21-leipzig.de/2010/11/rauschen-und-flimmern/> "
