

SUBSTANTIA INNOMINATA

"Substantia Innominata" is the 10" VINYL - series by Drone Records, presenting works inspired by or related to "the Unknown" around or within us. OUT NOW (Sept. 2013):

SUB-19 • BRUME "Two Characters"

Through more than 25 years of existence, the French composer CHRISTIAN RENO, aka BRUME, has developed a unique 'handwriting' style within the experimental underground, something one may call "atmospheric Musique concrète". It is the marriage of many concrete sounds, hand-played acoustic instruments and electronic drones / noises that are arranged in a manner somewhat akin to a "narrative" - highly emotive and often evolving in a dramatic way. We are delighted to have received two tracks for the Substantia Innominata series that are simply extraordinary: expressing the wordless, indescribable oscillations arising from mental states, the qualia and conditions of two fictional 'souls', the aura of a personality.

Compounded by electronics (synths), field recordings (door jarring, water), alto sax, gramophone, tapes, various processed voices, percussion, bass, home-made instruments, both 'characters' start as a rather smooth ambient pieces that develop & expand into

orchestral, mysterious post-industrial entities, showing a compelling process of densification.

Lim. 500 copies on lovely coloured vinyl (mixed blue, white & black), artwork by Mal Hoeschen (MULTER).
